

ID	Group #	Recommendation 1	Recommendation 2
	1	Continued emphasis on neighborhood groups	Get involved
	1	Better schools	Better mass transit
	1	Find a means & attract business to areas (K-Mart strip area) to rebuild an attractive area that shows growth	Find ways to help neighborhoods meet a standard that Piqua wants & needs
	1	Improve appearance of city owned properties (Light Plant, Park Dept.)	Positive leadership to improve attitude of citizens
	1	Encourage neighborhood convenience stores to help reduce driving	Recognize Piqua as a bedroom community and celebrate
	1	Eliminate places that are not pleasing to the eye, or not pleasant. Eliminate tight parking or traffic inhibition	Add nice neighborhoods, add nice looking buildings, add open spaces, parks Then the town will prosper if you get rid of the Job & Family services that gives to anyone who cries to them, then they don't investigate
	1	Clean up tenants & their way of living. They need to get an education class!	
	1	Clean it up	
	2	Improve more manufacturing places	Keep improving upkeep of properties
	2	Better streets and entrances to the city	More retail and sit down eating places
	2	Codes need to be updated and enforced	To bring in higher paying jobs
	2	Less rentals per residential block	More industries (i.e; create jobs)
	2	Improve the entrances to the city	Use the River Corridor
	2	Improve City School System. Get higher test scores and improve elementary schools	Improve entrances to city. Get rid of eyesore along streets
	4	Create new use of vacant buildings and properties or tear them down	Make gateways into City of Piqua more pleasing (aesthetically) to those entering our city
		Take the city income tax money being wasted on the old hotel and put it into our Police & Fire Departments	
	4	Clean up the neighborhoods south of the bike path	City government should focus on the 20,000 citizens of Piqua instead of Commissioners pet projects
	4	More funds for Fire Department	Either demolish or renovate empty buildings and find a use for them
		Economic development solves some of these problems-Revenue, jobs that equal families to support the town	New Substation for Fire Department
	4	Promote clean environment	Focus on appearance, have pride in the town. Visitors need to have a sense of a community that takes pride in what they have
			Demolish old buildings that are not used
