

Goal Worksheet

Tell us what you think!

Listed below are the **draft goals** for the Plan. A goal is a desired outcome expressed in simple terms. These goals were developed by the Steering Committee using the input gathered from the public meetings in January. Please take a few minutes and give us your reaction to these goals.

1. Built Environment

Preserve Piqua’s small town feel through well balanced growth that mixes land uses, retains open space, and creates an inviting appearance using landscaping, attractive entrances, and community landmarks.

Comments:

2. Community Services and Facilities

Support community improvements that build strong family neighborhoods, community pride and maintain high quality community services and facilities, including its school system, public safety, health care, recreational opportunities, cultural activities, technology and youth and senior services.

Comments:

3. Economic Development

Enhance Piqua’s local economy through policies and programs that attract progressive new industries, increase the number of high paying jobs with benefits, retain existing small businesses, develop a strong workforce, increase the number of quality of life amenities, and contribute to a vibrant downtown.

Comments:

4. Housing

Promote a diverse and quality housing stock to meet the needs of all residents, and enhance the housing supply through programs and policies that encourage homeownership, promote home maintenance, and support the responsible upkeep of all properties.

Comments:

5. Natural Environment

Celebrate Piqua’s natural amenities by developing the waterfront and enhancing public access to the river corridor, and work to create new parks, trails, and tree planting initiatives throughout the City to further contribute to the community’s quality of life.

Comments:

6. Redevelopment

Revitalize Piqua through initiatives that encourage redevelopment or reuse of existing structures, and implementation of building codes in an effort to contribute to a reduction in building vacancies.

Comments:

7. Transportation

Develop and maintain a convenient, safe and efficient transportation system that effectively accommodates pedestrians, bicyclists, automobiles and public transportation.

Comments:

8. Utilities

Maintain cost effective, customer responsive and reliable municipal utilities with a focus on improving aesthetics and public education while also planning for the future and identifying growth opportunities.

Comments:

9. Implementation

Support neighborhood associations, widespread civic involvement, good communication between citizens and local government, and encourage strong leadership and effective inter-government cooperation to engender pride among Piqua residents.
