

## Comments

Reinvest in those areas that are abandoned, dilapidated or outdated  
The good places all contribute to the community's well being & cultural fabric  
Beautify CR 25-A between I-75 and downtown  
Lights along the river levy  
Fewer rental properties/or at least make the owners keep them looking nicer  
Additional attractions at parks  
Utilities need to be more organized  
Keep the sidewalks and streets nice  
Cleanup neighborhoods, green space  
Increase professional business  
We are on the way, just have to follow it  
Public input  
Development of I-75 interchange  
South end entrance upgrade  
Continue to redevelop downtown with retail business, restaurants, entertainment venues  
A special tax credit to re-hab old buildings for business and retail use  
Bury electric lines and landscape  
Traffic study, reduce traffic lights & stop signs  
Redevelop or tear down all of the old industrial buildings that are empty or dilapidated  
Diversify the park system to be a show case for surrounding communities  
Clean up  
Develop river area, cultural montra

Improve the city ware, water quality in the city is terrible & the water is filled w/sentiment & chemicals  
neighborhood cleanup programs to improve run down neighborhoods & houses along major access roads

Promote community pride in unsightly neighborhoods  
Promote use of the park & recreation areas within the communities  
Create a downtown with matching awnings, trees, limited roadside parking & small café type stops for people to "mingle" downtown  
Drastically improve traffic flow patterns & one way streets

Make sure to promote Piqua on the forgotten pains-25-A South and North, Washington and 185  
Look for options for old Kroger Store  
Promoting Edison - "Become College Town"  
Knock every other home in Shawnee down  
No overhead utilities, phone line, electric , cable, all underground, trees should replace poles  
Clean up access road, S. Main, E. Ash. Creates a poor view of Piqua. It should look great not run down or old  
Clean up facades, fill old empty buildings along south and north 25-A, Main street. Condemn and tear down worst, make into green space, repair related sidewalks & curbs  
Develop art district in conjunction with a "Riverwalk" including antique, and upscale one-of-a-kind type shops, outdoor market, maybe seasonal  
Enforce more building codes, fines for littering, make property owners responsible

Educational complex-Potential growth- Community benefits  
Downtown/Hotel/Bikepath/Positive attractions to city;something to build on  
Johnston Farm/Public Parks-Positive attractions to community; amenities, history; culture
