

PLAN IT PIQUA SEEKS COMMUNITY INPUT

This week the *Plan It Piqua* steering committee will host a series of public participation meetings at various locations around the community. The purpose of the meetings is to gather ideas from the constituency concerning the future of the Piqua community. With four different meeting dates and locations, and three different meeting times to choose from, community members will have the option of attending the meeting that best fits their schedule.

Each meeting will follow the same basic format. They will begin with an opening assembly to explain... the purpose and benefits of compiling a comprehensive plan document; the role and responsibilities of the committees, stakeholders, public, and government; the project schedule; and, the public meeting format. Following the opening assembly the attendees will break into individual work groups of 8 to 15 people with a trained volunteer from the community facilitating the breakout session. The facilitator will lead the group through several exercises designed to draw out the thoughts and ideas of the participants. All of the responses provided will be documented in an anonymous fashion and collected. Following the meetings, the input received will be entered into a database for reference throughout the planning process. At the close of the breakout sessions participants will be asked to fill out an exit questionnaire and then they will be dismissed from the public meeting.

*You will not want to miss this unique opportunity to shape the future of your community by participating in one of the four public meetings. Plan to attend the meeting of your choice and come share your ideas on how to **Preserve the Past - Empower the Future!***

PUBLIC MEETINGS

Plan to attend one of the following *Plan It Piqua* public meetings to share your thoughts and ideas concerning the future of your community.

JAN 22, 2007 @ 7:30PM
Bennett School
625 South Main Street
